MEMORANDUM FOR: Chief, Audit Staff

SUBJECT: Compliance with Admin Plans

REFERENCE: Your Memorandum of 28 March 1956

1. As requested in paragraph 3 of the reference memorandum, this office contacted [] Chief of NEA [] to discuss the quotation noted in paragraph 1 of reference. It was indicated that this type of statement going to the field from a division was poor practice for the reasons you have indicated and that this should be kept in mind in future correspondence with the field. [] advised us that this dispatch was worded in this fashion as a result of discussions with PAPS in an attempt to develop Admin Plans which were more realistic. [] was careful to point out that there was no disrespect intended, that it was simply an attempt to stimulate a reply from the field.

2. In closing [] indicated that there actually is not "unity" at Headquarters and that it might be well for us to arrange a meeting between members of the PAPS Staff, the operators and the Audit Staff for the purpose of establishing unity. If you feel that such a meeting would be worthwhile the services of this office are at your disposal for such arrangements. Meanwhile the issue will also be discussed with members of the PAPS Staff.
